REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

1. The Information Disclosure Statements filed October 17, 2008 and November 26, 2008 have been considered. The IDS filed November 26, 2008 is a duplicate of the IDS filed October 17, 2008.
2. The prior art references alone or in combination forms do not teach nor suggest the invention as instantly claimed. There is no motivation to modify the prior art reference to derive the invention as claimed. Accordingly, claims 3, 5, and 6 are again allowed.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zinna N. Davis whose telephone number is 571-272-0682.
5. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
